TRAINING

- Don't forget to do your **Youth Protection Training** each year! It must be current the **entire year of your membership**.
- **BALOO** (Basic Adult Leader Outdoor Orientation) is the training for Cub Scout leaders and parents that introduces the skills needed to plan and conduct pack outdoor activities, particularly pack camping. **A BALOO trained leader must be in attendance at each pack overnighter/ Webelos camping adventure.** More than one should be trained in each Pack. This course is for all cub level leaders.
- **IOLS** (Introduction to Outdoor Leader Skills) **is the required outdoor training for all Scoutmasters and Assistant Scoutmasters** to complete the requirements of Basic Training. The skills taught are based on the outdoor skills found in *The Boy Scout Handbook*. The course is also ideal for Venturing leaders because it focuses on skills that build confidence and competence in leaders conducting outdoor camping experiences. It is also suggested for those leaders crossing over from the Pack to become Assistant Scoutmasters in the Troop. **Youth who will be 18 years old soon** should be trained if they are planning to be an assistant scoutmaster for a troop. (Youth Protection Guidelines will be followed.)
BALOO & IOLS are not the same trainings as one is geared for Cub Scouts and the other for Scouts BSA!
- **Executive Board and Officers** and **District Committee Training** are available online.
- **University of Scouting.** A supplemental training for everyone. Topics varied and are usually different year to year depending upon requests. Send suggestions to susq.training@scouting.org. Type in subject: University of Scouting.
- **NYLT** (National Youth Leadership Training) is an exciting, action-packed program designed to provide all 13-20 year-old youth members of the Boy Scouts of America with leadership skills and experience they can use in their home units and in other situations demanding leadership of self and others. Location— Camp Karoondinha. Check the calendar for the spring weekend dates. If you are interested in helping on staff or have any questions email susq.training@scouting.org. Type in subject: NYLT.
- **Wood Badge** is an exciting, action-packed program designed to provide all adult members of the BSA with leadership skills and experience they can use in their home units, districts, or councils and in other situations demanding leadership of self and others. Wood Badge aligns with NYLT of youth leaders; adults and youth learn the same leadership principles using similar lessons and tool. If you are interested in this advanced training, email susq.training@scouting.org. Type in subject: Wood Badge for courses that are being offered in our Territory.
- **Hazardous Weather Training**— expires every 2 years. If you are a direct contact leader it is part of your position specific training.
- **Diversity, Equity, and Inclusion** in Scouting Volunteer Training is now available online!

The Training Team is available to conduct in person training for UNIT SPECIFIC TRAININGS (except BALOO and Introduction to Outdoor Leader Skills) upon request. Email Susq.training@scouting.org. We encourage all to take the Youth Protection Training online or when offered as an in-person training.

Information on advancement.

- a. Advancement section on the Council's website. **The advancement pages on the Council's website are organized to more intuitively find information and provide access to current information and all forms.**

We highly encourage Scouts, adult leaders, MB counselors, and parents in the council to make it your go-to source to find and obtain information regarding advancement in the Scouting program.

We are continuing to update and add content so keep checking the site to find answers to your advancement questions and access current information on advancement.

The sub-section entitled "Information and Resources for Life to Eagle Advancement" should be the start point and a continuous resource for a leader, parent, or scout seeking to earn the rank of Eagle.

- b. Advancement Newsletter – Soaring news. The Council Advancement Committee produces a regular newsletter to improve the flow of information to leaders in the Council regarding advancement topics for Cub Scouts and Boy Scouts. The goal is to produce it on a monthly basis except during the summer.

It provides current information on changes regarding advancement, as well as clarifications of advancement requirements, tips, reminders, and guidelines on advancement. We want it to be a resource for you to encourage and maintain a high-quality advancement program in our Council.

It is sent by email to the key three of every unit so ask them to forward it to you. The newsletter (current and past) is also available in the advancement section of the Council's website.

Advancement policies and procedures. The Council Advancement Committee has established and codified operating guidance or directives (policies and procedures) within the Council necessary to clarify and standardize aspects of the advancement program. The Committee maintains a document that provides a single source compilation of all policies and procedures regarding advancement approved for application in the Susquehanna Council. A current copy is available in the advancement section of the Council's website.

Involvement in the advancement program. Volunteers are needed to plan and manage the advancement program at the council and district level. You can serve as a regular committee member or just assist by performing specific tasks for a committee. Contact a committee member or your District chairman if you would like to become involved.

Susquehanna Council is a beneficiary of a Golf Ball Drop fundraiser from January to June. Golf balls are sold for 20 dollars a piece. Scouters can earn 10 dollars and the Council receives 10 dollars per ball sold. There are no other responsibilities except for people to sell and collect money. It is a unique idea, and it is fun to get a random number and watch a live stream of the balls being dropped out of the helicopter. Closes to the pin winners receive a variety of prizes.

There are multiple opportunities for Scouters to raise money to help with costs. Costs could include Registration, Activities, Camps, Council Support, unit supplies and so much more.

Susquehanna Council conducts a Candy Bar fundraiser from November to December. Scouters sell Candy bars for 1 dollar a piece and receive 100 percent of the profit. There are no other responsibilities except for the Scouters to sell and collect money. It is an easy fundraiser as the candy bars are only a dollar. And who doesn't like chocolate?

The Order of the Arrow

The Order of the Arrow is the honor society of the Boy Scouts of America. It is based on the key principles of Brotherhood, Cheerfulness, and Service. Scouts are voted into the Order of the Arrow by their peers, and selection is based upon a scout's willingness to put the needs of others before their own. Woapeu Sisiliya lodge does a lot for our council, and for Camp Karoondinha. We get camp ready for the summer, buy program supplies for camp, hold various ceremonies for scouts, help staff events, and even donate money to the council's campership fund. With the Order of the Arrow reaching Scouts BSA, Venturing, and Sea Scouts, it is truly a great opportunity for scouts to become the leaders they were meant to be.

Blue and Gold Banquets are a perfect way to expose Cub Scouts to the Order of the Arrow, and to get them excited to cross over. If you would like the Dance Team to perform at your pack's Blue and Gold Banquet, please contact Mike D'Angelo.

We have many Volunteers serving their Units, their Districts, and the Council, although they are not doing it for recognition. They should still be acknowledged. Please help us become aware of these volunteers that go above and beyond. Your District Executives have the criteria for all awards. The recognition dinners are a great place to honor these individuals.

Why Join Scouting?

The Boy Scouts of America are dedicated to teaching personal fitness, citizenship, character development and leadership while having a great time! Youth who join the scouting program go camping, shoot firearms, learn leadership, offer service to the community, and develop hobbies and skills that will last them a lifetime!

Recruitment Best Practices

- **Focused on education.** Focused on education at the sign-up night, rather than selling, with the idea that the people who were coming to the event were, in most cases, already committed to joining.
- **Eliminated the jargon** Stop using the word “roundup.” The term was confusing to parents. Use “sign-up” event.
- **No more uniforms at sign-ups.** Uniforms created an “us-vs-them” mentality and a barrier to joining. Instead go with a less intimidating golf shirt and a name tag that includes the person’s name and the title of “parent,” followed by their Scouting position, such as Cubmaster
- **Changed the sign-up event itself.** Use a station-to-station/Open house-style process, more like a sports sign-up event. No more presenter style. This new process took only 20-30 minutes.
- **Try and recruit Leaders before sign-up events.**
- **By the time they were through the stations, parents had signed up, paid, and had a complete packet of unit information** including key dates, times, calendar, and a handbook for their scout.

What is re-charter?

BSA issues a charter through the local Council to a Chartered Organization, like the Church or other organization that owns your unit, which allows it to use a BSA program to serve youth in its community. For example, a Cub Scout Pack uses Cub Scouting to serve boys in the first through fifth grades. BSA requires that the charter be renewed annually to continue using the program. We call that annual renewal “re-charter”.

What else happens during re-charter? In addition to renewing the unit charter, re-charter time is when all youth and adult members (leaders) renew their membership in BSA. Member renewals are most of the work. If your unit collects all or part of its member dues or fees on an annual basis, that collection often takes place at re-charter too. Your unit should also complete the application for the Journey to Excellence Award.

COMPLETE CHARTER SUBMISSION

At a minimum a charter will be accepted as complete when it has the following:

1. All required leadership positions are filled, and all adult leaders Youth Protection Training status is current.
2. Has Charter Organization’s Executive Officer and unit leader (CM, SM, CA) signature.
3. Has accurate youth and adult information
4. Has payment of charter fee, registration fees, Scouts’ Life subscriptions, program and insurance fees.
5. Has a completed Journey to Excellence score sheet signed by a commissioner.
6. Has a completed Friends of Scouting Campaign registration form.
7. All included youth and adult applications are accurate, complete and signed.

The Susquehanna Council, Boy Scouts of America would like to take this opportunity to thank you for your ongoing support of the youth in our local communities. Your generosity, kindness, and friendship have allowed us to carry out our mission of providing valuable programs to youth in the Susquehanna Valley. We take pride in helping today's young men and women learn about character, citizenship, and the importance of community service. We know that one day they will look back fondly on the opportunities we are giving them today and credit their time with us as a key starting point to becoming community leaders. We enrich the lives of the youth and adult volunteers in the five-county area we serve including Clinton, Lycoming, Northumberland, Snyder, and Union Counties. On behalf of our 1,300 youth and almost 700 adult volunteers, and the Susquehanna Council Executive Board, I thank you for making a positive difference in the lives of young people!
